PRESIDENT’S LETTER

Ontario Football understands and takes seriously the health concerns surrounding the COVID-19 Pandemic. We respect the role of Ontario’s Department of Health and each municipal health department in making the tough decisions to keep individuals safe, especially participants in sport and football. This is an unprecedented time as we look to a return to our new normal as a result of the pandemic. Ontario Football Alliance (OFA) and its Board of Directors, League Officials, Officials and all other stakeholders want to ensure we are taking the necessary precautions to keep both our participants and the general community safe by following all provincial health guidelines.

We also realize that the football community has a desire to return to football as quickly as possible under the provincial guidelines. We must ensure we are proceeding thoughtfully as a community by continuing to have meaningful dialogue with our health departments, government officials and sport bodies. Ontario Football Alliance is in constant communication with our national sports organization Football Canada, and our insurance provider, as we lobby Sport Ontario and our Ontario Ministry of Health to seek clarification on a return to all activities including contact football.

On Friday July 17 of 2020, the Provincial Government began phase 3 to provides sports new opportunities to start returning to regular activities but still maintains several restrictions. For regions remaining in phase 2 all participants must adhere to Ontario Football Alliance’s Return to Football Version 2.0. Regions moving into phase 3 can now increase the number of participants involved in activities to 50 which includes the athletes, officials, coaches and first aid responders. In addition to increasing the number of participants we are now allowed to introduce non-contact activities and games in the form of Flag Football.

Currently in accordance with the provincial health guidelines provided contact football is a prohibited activity. We are working tirelessly to engage with the provincial government to find a path back to contact football. The provincial government has provided us with a means to work with them to implement a plan they feel aligns with health guidelines moving forward. We will continually update the Ontario Football community as things progress.

This document was created through consultation with other Football Provincial Sports Organizations across Canada, Football Canada and the Ontario Government. Sport is important to people’s health, fitness, and mental wellbeing and we are proud to present our plan to offer the next phase of football to Ontario again.

*Dan Fournier
President, Ontario Football Alliance*

OFA COVID-19 Return to Football Guidelines

DISCLAIMER

The Ontario Football Alliance has prepared this document based on the latest information available. The document will be updated as the situation evolves, and more information becomes available.

This document is meant to provide information and guidance as to best practices based on current information. Each organization is however responsible for assessing the risks in its particular environment and establishing the appropriate safety procedures to minimize those risks, while following the advice and instructions of public health and government authorities.

Additionally, it is an individual's responsibility for assessing his or her personal risks in consultation with medical professionals and for the outcome of his or her decisions and actions.

It is important to note that this is not a legal document and is to be used as a guide only. It is not a substitute for actual legislation or orders of the local, provincial health guidelines. In the event of an ambiguity or conflict between the guidelines in this document and the Public Health Act, regulations or orders thereunder, the Act, regulations and orders prevail. Each association should comply with the requirements of the provincial and local government and health officials in terms of public gatherings and sporting events when determining when it is safe to return to activities.

FOOTBALL CANADA RETURN TO PLAY

On June 6, 2020 Ontario Football transitioned from Level 1 return to play in the Football Canada Return to Play Guidelines to Level 2 which included the transition to Physical Training and Skill Development. As of July 22, 2020 football in Ontario will be moving to Level 3 which introduces non-contact competitive activities and games. See [Pathways](#) for more detailed information on programming options.

WHERE ARE WE NOW

ONTARIO REOPENING STAGE 3 AND FOOTBALL IN ONTARIO

TEAM SPORT GUIDELINES IN STAGE 3

- Prolonged or deliberate contact while playing sports is not permitted.
- Physical distancing must be maintained, except if playing a team sport or as needed for personal training.
- Team sports in which body contact between players is either an integral component of the sport or commonly occurs while engaged in the sport (e.g., wrestling, judo) are not yet permitted, unless the approach can be modified to prevent prolonged or deliberate physical contact.
- Amateur and recreational sports leagues may resume so long as they do not allow prolonged or deliberate physical contact between players or if they have modifications to avoid physical contact between players.
- Leagues/Associations must contain no more than 50 participants total. If participants in a league exceed 50, the league may divide into smaller groups of no more than 50. Players are not yet permitted to play against players outside of their league or group.
- Equipment must be cleaned and disinfected between user sets or at the end of a game.
- Spectator at all sporting events, including professional sports, will be subject to gathering limits and physical distancing measures, with assigned seating where possible.
- Indoor gathering limits will increase to a maximum of 50 people.
- Outdoor gathering limits will increase to a maximum of 100 people.
- In all cases, individuals are required to continue to maintain physical distancing of at least two metres with people from outside their households or social circles. (With the exception of Team Sports)

PROVINCIAL FACILITIES FOR SPORT AND RECREATIONAL FITNESS GUIDELINES

- Examples of facilities for sports and recreational fitness activities include gyms, fitness studios, and community centres.
- Physical distancing must be maintained, except if playing a team sport or as needed for personal training.
- The total number of people permitted in areas containing weights or exercise machines is limited to the number of people that can maintain physical distancing of at least two metres, which cannot exceed the indoor gathering limit of 50 people.
- The total number of people permitted in classes or organized activities at any one time is limited to the number of people that can maintain physical distance of at least two metres, and cannot exceed the indoor gathering limit of 50 people or the outdoor limit of 100.
- Assigned spaces are strongly recommended for organized fitness classes (e.g., by marking circles on the floor to designate where each person should exercise).
- Gathering limits do not apply in all other areas (e.g., pools, tennis courts and rinks).
- Equipment must be cleaned and disinfected between user sets or at the end of a game.
- Any washrooms, locker rooms, change rooms, showers or similar amenities made available to the public must be cleaned and disinfected frequently.

Where are we now? Presently all regions are in STAGE 3 IN ONTARIO

Please be aware that this is a fluid document and that the stages of your own municipality may change. You must be aware of your area’s current stage at all times. We strongly recommend that you contact your local public health unit and municipality for specific questions regarding your area’s guidelines and regulations. The public health guidelines must be adhered to at all times and take precedence over this document.

RETURN TO FOOTBALL PATHWAYS: STAGE 3

All member clubs must submit to the OFA a detailed plan on how they will meet the standards outlined in this document, Football Canada's Return to Play, local municipality and their local Public Health Department standards. Once the plan is approved, the club must forward an up-to-date player, coaches, and volunteer roster with OFA registration and NCCP numbers. Please forward plans to nccp@ontariofootball.ca.

PATHWAYS

In consultation with provincial health guidelines and our National Sport Organization Football Canada we have developed three pathways in Ontario's Phase 3 for "Return to Football" to assist the football community. Each association must provide a detailed plan to Ontario Football laying out their desired pathway along with a process to implement that pathway based on both local/provincial health and Ontario Football guidelines.

Pathway 1 - Physical Training and Skill Development (Regions in Stage 2)

Pathway 2 - Non-Contact Activities and Games – Flag Football (Stage 3)

Pathway 3 - Team Practice: Stay and Train –Touch and Tackle (Stage 3)

PATHWAY ACTIVATION REQUIREMENTS

- 1) All sanctioned activities (flag competitions, skills/drills/conditioning events) must be registered with the Ontario Football for insurance purposes;
- 2) All players, First Aiders, volunteers and coaches must be registered with Ontario Football Alliance (registered through Goalline);
- 3) All coaches must have the proper courses and qualifications to be on the field;
- 4) All member organizations, presidents, coaches and players who do not follow the outlined parameters will be subject to discipline which may result in loss of membership status at all levels; and
- 5) All organizations must provide a very clear and concise written plan to the OFA on how they will meet the requirements within this document, Football Canada's Return to Play and the Ontario Ministry of Health's document for Phase 3 Return to Play. This includes training documents, screening procedures and waivers.

PATHWAY 1: PHYSICAL TRAINING AND SKILL DEVELOPMENT (Regions in Stage 2)

FOCUS: Individual skill development that promotes social distancing and can scale based on the number requirements for participation. Program Options as listed in Football Canada Return to Play and the OFA Return to Play Version 1.0

PARAMETERS

- Groups of 10 or less
- Controlled social distancing
- Maintain physical distance of 2 m at all times
- Non-essential travel

- No blocking sled activities
- No games allowed (touch, flag)
- Only equipment permitted are cones, ladders and footballs
- A player must join only one club, players participating must stay only within their club and their cohorts
- All participants must maintain 2 m social distancing on side lines
- All coaches, managers and first aider/ trainer must maintain 2 m social distancing all times
- Cohorts exist within the club (a player from one club cannot joining another club on a different night)
- Limits must not exceed 100 participants (spectators included) but all participants and spectators must maintain 2 m social distancing at all times.
- Personal water bottles only.
- No handshakes or high fives
- All participants must use hand sanitizer before and after a training session.
- All training sessions must have two coaches (Rule of Two)
- Disinfecting procedures for all personal & field equipment at the start and end of the event.

- As a rule, all adult personnel on the side lines that will possibly have close contact with the athletes (i.e. athletic therapists, equipment manager) should wear masks.
- If gloves are worn by participants they must be cleaned as regularly as proper hand hygiene.
- Players must come dressed to facilities and not use any change rooms.
- Athletic therapist/ first Aider assigned to only one cohort.
- No other football equipment may be used.

ROLES AND RESPONSIBILITIES

ALL PARTICIPANTS

The role of the participant is to ensure adherence to the parameters of this document. To abide by the screening procedures listed within the OFA Return to Football documents, Football Canada's document and the Region's Health Department requirements.

If a participant sees that there are more than 50 participants for a flag game or 100 participants for a skill/drills/conditioning he/she must not allow the activity to proceed by notifying a club representative.

- All practices/ games must have two coaches (Rule of Two)
- Participants must come dressed to facilities and not use any change rooms.

ATHLETES

- Be aware of and complying with all hygiene guidelines
- Complete COVID-19 assessment prior to each session
- Provide your association or league with notice if you have a positive test for COVID-19

COACHES

- The role of the coach is to help athletes understand and learn the process.
- One coach per team or cohort should be responsible for all equipment. Equipment that coaches CANNOT use at this time are shields, butter bags/step-over bags, blocking bags, sleds, chutes, skipping ropes (unless individually purchased), blocking bags.
- Ensuring the participants understand the process and rules of this document
- To communicate to participants the process of attending the facility and exiting as set out by the organization's plan.

OFFICIALS

- Please refer to Football Canada Return to Football Official Guidelines : [Click here](#)

ASSOCIATIONS/CLUBS

- Associations should designate one individual that is 18+ as their Safe Sport Officer responsible for the administration and operations of their Return to Football plan

- Associations will provide to the OFA their declaration as to which pathway they will be following and a clear, concise and detailed plan which includes: Number of Pods/Cohorts, Player Roster with OFA number for each pod/cohort, Coach Roster with OFA number and NCCP number for each pod/cohort, Participant waivers, Self-Assessment sheets, Training Sheets
- Any player found to have a positive test for COVID-19 and have been exposed to the other participants on that team, would cause the team/club to immediately shutdown.
- Clubs will ensure that prior to a coach or athlete's participation they have provided proof of OFA registration.
- Clubs will provide to the OFA players and coaches list prior to the start of the activity
- Clubs will ensure a diagram detailing player drop off and pick up to ensure no cross interactions between pods and cohorts.
- Clubs are still responsible to ensure that the facilities and infrastructure set up is communicated to parents/ guardians and any missing signage is produced and displayed.
- Centers wanting to have competitions between clubs ie. combines cannot host other players. They can run the event within their cohort and record the information and share and compare online.
- Spectator limitations – 2 meter social distancing at all times. Clubs must ask parents to leave the area if they do not abide by this rule.
- Clubs must not advertise that they are anticipating tackle football until they have received clearance from the OFA.
- Organizations must have a plan and diagram how players will enter and exit playing facilities
- Organizations must send out the plan for entering and exiting the facility prior to the participants' arrival.
- All organizations are responsible (not the facility or municipality) to ensure that they set up signs and communicate drop off times and pick up times.
- All organizations must ensure strict social distancing of the parents and guardians. Under no circumstances is there to be any interactions between pods and cohorts on the field and off the field including pick up by parents.
- All organizations must ensure they meet local health and municipality regulations

All clubs must submit their process and plan and their plan must be approved by the OFA prior to any activities taking place. Member clubs will be sanctioned for not complying with the requirements of this document.

LEAGUES

- Leagues should designate one individual that is 18+ as their Safe Sport Officer responsible for the administration and operations of their Return to Football plan.
- The leagues must ensure that clubs are adhering to the standards set out in this document, Football Canada and Public Health.
- Leagues should have in place an auditing system to ensure compliance for all aspects of Return to Football.
- The leagues will assist the OFA with audits.

PROVINCIAL SPORTS ORGANIZATION - OFA

- To ensure that all clubs are registered and provide insurance coverage through the OFA.
- Review and assist members with submitted proposed pathway(s). The OFA will then notify the club if their proposal is approved or if additional requirements are needed.
- The OFA will audit and sanction member clubs that are not in compliance with the standards outlined within this document.
- Provide support to members as required

The OFA is working with the Ontario Government, Sport Ontario and other agencies to create a plan to get on working towards the process of returning to contact, however the Provincial health guidelines do not allow any contact at this time. The OFA will continue to lobby provincial health and Sport Ontario for continued clarification on the “Return to Play” phases and contact football. Football Canada has indicated that an equipment management document is currently being developed and more information will be presented when available.

SPECTATORS

- Spectators at all sporting events, will be subject to gathering limits and physical distancing measures, with assigned seating where possible.
- Spectators will adhere to the Ontario Football Alliance and Football Canada’s Codes of Conduct
- It is recommended that spectators should be minimized in attending practices or games and that clubs designate and assign seats where possible.

ADDITIONAL RESOURCES

Emergency Action Plan (EAP)

Early detection of symptoms will facilitate the immediate implementation of effective control measures. In addition, the early detection and immediate implementation of enhanced cleaning measures are two of the most important factors in limiting the size and length of an outbreak. An “outbreak” is two or more cases; a “case” is a single case of COVID-19.

Please see review and adapt the COVID-19 Emergency Action Plan from Football Canada on Page 28 at <https://documentcloud.adobe.com/link/track?uri=urn:aaid:scds:US:5d78e63c-2cbf-4d1b-b81b-e298f2449fea>
